Facebook Page

The **Greeneville Iris Festival** Facebook Page was established to promote both the festival and the vendors. The Partnership requests that vendors not only “like” the festival page, but also tag the **Greeneville Iris Festival** in any comments posted to Facebook before, during and after the festival (including both personal and business pages). In turn, the Greeneville Iris Festival page will “like” all vendors’ business pages and share relevant posts from those pages. This will increase exposure and allow more individual vendors to be showcased. Please list Facebook page information below to guarantee inclusion:
