***Good Morning!***

**From the President's Desk**

If you haven't been by our offices as of late, you need to stop by and see us. Our renovations are almost complete and everything looks amazing. A special thanks to Jeff Idell and his team for all their hard work in making this building look beautiful. As we move forward into summer, I want to continue to engage each of you in our strategic initiatives. We need everyone's assistance to achieve all our action steps that were developed during our strategic planning breakout sessions. If you need a copy of the Strategic Plan or the Action Steps, please let me know. Thanks for all you do!!

-Matt

- **The deadline for Leadership Greene County nominations is May 31.** The class begins in August with an overnight retreat.
